Term 2, Week 7
Student of the Week
Banjo Heycox

Banjo has been voted this week’s Student of the Week and here are some of the reasons his peers have given. “Banjo is always doing his best and being safe, friendly and helpful to everyone”. “He has been sitting up well in class”, “He is respectful and kind”, “Banjo because he has been extremely well behaved for the whole week and keen to learn”, “Because he always sits up straight and doesn’t get distracted by others”.
Banjo has also been working hard to improve his reading and writing and last week he demonstrated that he knows 3 new sight words. He has received all of his reward time due to his beautiful behaviour and is consistently striving to improve. Congratulations and keep up the wonderful work, Banjo!
Isabelle Bowler

Isabelle has been voted and awarded 'Student of the Week', this week by her peers as well as staff for her excellent effort and achievements last week. Some of the reasons given by her classmates include “Isabelle for being kind”, “For being nice” and “Because she has been trying hard not to get any crosses”. Isabelle was very enthusiastic and eager to help design and construct elements of the float for the Festival of the Fleeces and trained hard for Pittman Cup. Congratulations and keep up the fantastic work, Isabelle!

PITTMAN CUP

Cassilis students performed extremely well at the Pittman Cup competition in Sandy Hollow and whilst we did not retain the cup, we were pleased for Sandy Hollow to win as it has been many years since the cup sat in their cabinet. All students received ribbons in an event they entered and many achieved personal best results. Jack was on fire in the high jump, the ball games teams played well and everyone had a great day!
Festival of the Fleeces

This year students were a part of the Festival of the Fleeces in Merriwa. In collaboration with The Plough Inn to Cassilis, café and gallery, and The Royal Hotel Cassilis students designed and decorated a float at school and participated in the parade on Saturday. It was fantastic to see parents, students and community members working together on this project.
