Cassilis Public School Vision Statement
To prepare every student to be successful lifelong learners who are confident and creative individuals; and active and informed citizens through a commitment to equity and excellence in education.
We believe it is important for students to be self-aware, build resilience and positive relationships and actively contribute to the school, the community and the society in which we live.
We value and support strong partnerships with the broader community to maximise student engagement and achievement in a nurturing environment.

Term 2, Week 10
Student of the Week
Summer Turner

Staff and students have voted for Summer Turner to be our last student of the week for term 2! Summer is always polite and respectful of others and works well in a group to cooperate and share roles. She is the only student who hasn't received a cross in the consequence book at all this term which shows how much effort she puts into improving her learning. Summer has also worked hard this term to qualify for the touch football team and be competitive with her peers. Congratulations and keep up the wonderful work, Summer!
Nitbusters, Crazy Hair, and Disco Thursday, June 25th

Everyone had a great afternoon getting their hair sprayed and enjoyed the crazy hair disco.

**Master Chef!**

Students, teachers, families and community members enjoyed a fantastic day as master chefs. Kaelyn’s dad Jason, who is a chef by trade, came in to help the students with their cooking skills. Students prepared pumpkin soup with croutons, spaghetti bolognase with side salad and chocolate cake with hot chocolate sauce. Everyone enjoyed the meal and voted Chocolate cake the winner, although all the dishes were fantastic! Students spent all week designing and printing menus, voting slips and thank you cards, costing recipe ingredients online and making chefs hats. Well done CPS!
**Principal’s Message**

Thank you to everyone for a fantastic term! Students, parents, community members and teachers have all worked together to have a positive and fun term full of learning and amazing experiences. Enjoy the holidays with your children. Before you know it they will be grown up and you will miss them.

---

**Let the children play**

*stomp in puddles climb trees
Dig in the dirt go on a bug hunt make mud pies
Roll down a hill build a cubby make a daisy chain
Create a garden for fairies playing outside makes children smarter healthier happier*
