Term 2, Week 9
Student of the Week
Georgia Bowler

Georgia has been voted and awarded 'Student of the Week', this week by her peers as well as staff for her improved effort and achievements last week. Some of the reasons given by her peers include; “Georgia, because she tried hard to do all her Maths and was trying not to get into trouble”, “For being friendly”, “Because she has been good” and “For sitting beautifully on the floor”. Georgia also worked hard to cooperate last week to create a poster on student support and was able to articulate what she was learning and why. Congratulations and keep working hard, Georgia!
Life skills - Cooking

Last Friday students cooked mini quiches with Mrs Nairne as part of our life skills program. In the morning the class did a ‘joint construction’ of a procedure for cooking quiches. That means we all worked together to write the procedure. Next we found pictures on the internet and made up our own quiche recipe. During the middle session, in groups of four, we made quiches. Everyone enjoyed the tasty afternoon tea.

What did we learn?
- How to write a procedure –recipe
- Image search on the internet using Google
- Working with others –cooperation
- Personal hygiene – hand washing
- Measuring in cups and grams
- That ham, eggs and cheese are protein foods
- Being safe around hot objects
- Washing up from cleanest to dirtiest dishes

So who said cooking with kids is just for fun?!
